

ENTERTAINMENT MEDIA RELEASE

THE 30TH EDITION OF SURVIVOR ON SABC 3 THIS JULY

The Emmy Award-winning series *Survivor* celebrates 15 Years and 30 Seasons. *Survivor* will be broadcast Tuesdays at 19h30 from 18th July 2017 on SABC 3.

After 15 years and 30 seasons, the newest edition will feature the first-time theme of "Worlds Apart," with castaways from very different backgrounds divided into the three separate tribes. The all-new castaways will be grouped by White Collar, Blue Collar and No Collar.

The White Collars (Masaya Tribe), known for making the rules, includes a corporate executive, a retail buyer and a marketing director. The Blue Collars (Escameca Tribe), known to follow the rules, consists of a postal worker, an oil driller and a contractor. The No Collars (Nargarote Tribe) boasts free spirits who are known to break the rules. This tribe consists of a coconut salesman, a sailing instructor and a YouTube sensation.

These three tribes will have very different approaches to how they play the game and interact with each other, while sharing the same goal: to outwit, outplay, outlast and ultimately be crowned Sole Survivor and winner of the \$1 million dollar prize.

The battle unfolds when these three tribes compete against each other on *Survivor*:
