

Public Alert on Corona Virus

The South African Broadcasting Corporation (SABC) in accordance with the approved messages by the Department of Communications and Digital Technologies and the Department of Health, would like to advise the South African citizens to take basic precaution and prevention measures following the reports of a confirmed case of the Corona Virus in the country.

The public is advised to wash their hands regularly, maintain social distancing and urgently seek medical care when experiencing symptoms including fever and headaches.

For more information please visit the World Health Organisation's website www.who.int and the National Institute for communicable diseases www.nicd.ac.za and call the 24 hour hotline 0800 029 999
