

REQUEST FOR PROPOSAL

APPOINTMENT OF CONTRACTOR FOR BUILDING, CIVIL AND FIRE SUPPRESSION WORKS FOR A RECOMMENDED PERIOD OF SIX (06) MONTHS.

The SABC – Auckland Park engineering has proposed increase in the capacity of available Generators for the purpose of ensuring that there is enough back up capacity to cater for the current systems during black-outs. The current plant room was identified to be small for the proposed new Generators, this plant room will be enlarged, converted and extended to cater for the new Generator system.

RFP NUMBER: RFP/LOG/2020/20
