DETAILED TECHNICAL SPECIFICATION

1. BACKGROUND

Education Anti-Bullying Seminars will take place in 3 provinces, with 3 Seminars per Province. These will take place in Northern Cape, Western Cape and North West.

School bullying is a type of bullying that take place either inside or outside of school. Bullying can be physical, verbal, or emotional, usually repeated over a period of time. In schools, bullying occurs in all areas. It can transpire in nearly any part in or around the school building. It frequently ensues during school breaks, in hallways, bathrooms, school buses and after school activities. It negatively impacts the psychosocial well-being of students, as well as the overall culture and climate of schools.

2. SCOPE OF WORK

The Department of Basic Education (DBE) has embarked on a nationwide anti-bullying intervention drive in schools, which launch on 28 May 2021. DBE has asked stakeholders to help in this anti-bullying intervention initiative in an effort to curb bullying often involving learners, teachers and sometimes community members. Added to that, in recent cases we have seen Cyber Bullying escalating. Cyber Bullying is a moderately new form of bullying which includes bullying by means of social media, mobile phone, text message, photographs, and email. DBE said the campaign began under the theme 'School Safety – Violence and Bullying Prevention Initiatives'. SABC Education would like to be partaken in addressing this social issue.

OBJECTIVES:

- To raise awareness amongst the school that bullying is an unacceptable behaviour
- To encourage a school climate which is open, supportive and encourages pupils to disclose and discuss bullying behaviour
- To encourage a positive school climate that is inclusive, welcoming of difference and diversity
- To position the brand in the mind of our viewers
- Ensuring the viewer loyalty to the brand

SBD 9

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill, and knowledge in an activity for the execution of a contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
