

copyright

In accordance with the relevant clauses of the Copyright Act 1978 (Act 98 of 1978) relating to assignment, all documents prepared by SABC in connection with the project remain the property and copyright of SABC, subject to their use by the client for the particular project to which this document relates, and the client shall not be entitled, either directly or indirectly, to make use of the document(s) for the carrying out of any additional or similar works or publish the same except with the prior consent from SABC.

general notes

1. All work is to be done in accordance with the National Building Regulations.
2. All materials and workmanship are to comply with the relevant S.A.N.S. codes.
3. This drawing is not to be scaled. Figured dimensions to be used.
4. This drawing must be read in conjunction with all the relevant drawings and specifications issued by qualified architects, engineers, and other consultants.
5. All dimensions and levels must be checked on site by the contractor before putting work in hand.
